34 - 35	RIDING PACKS, APPAREL, MERCHANDISE, DISPLAYS

ONE MANUFACTURING - ONEBALL - ONE BALL JAY SINCE 1986

FACTORY

We make our own wax and stomp pads!

RACE-CRAFT

We want to put you and your customers on the podium!

Gold medals, podium winning wax formulas!

For 39 years we have developed and manufactured elite level snowboard and ski products.

INNOVATION

Most of our products are designed, sourced, and manufactured by us.

QUALITY MATERIALS

We source the highest grade of materials available.

Our products are unmatched in quality and performance.

INDEPENDENT

Rider owned and operated since day one. Circa 1986

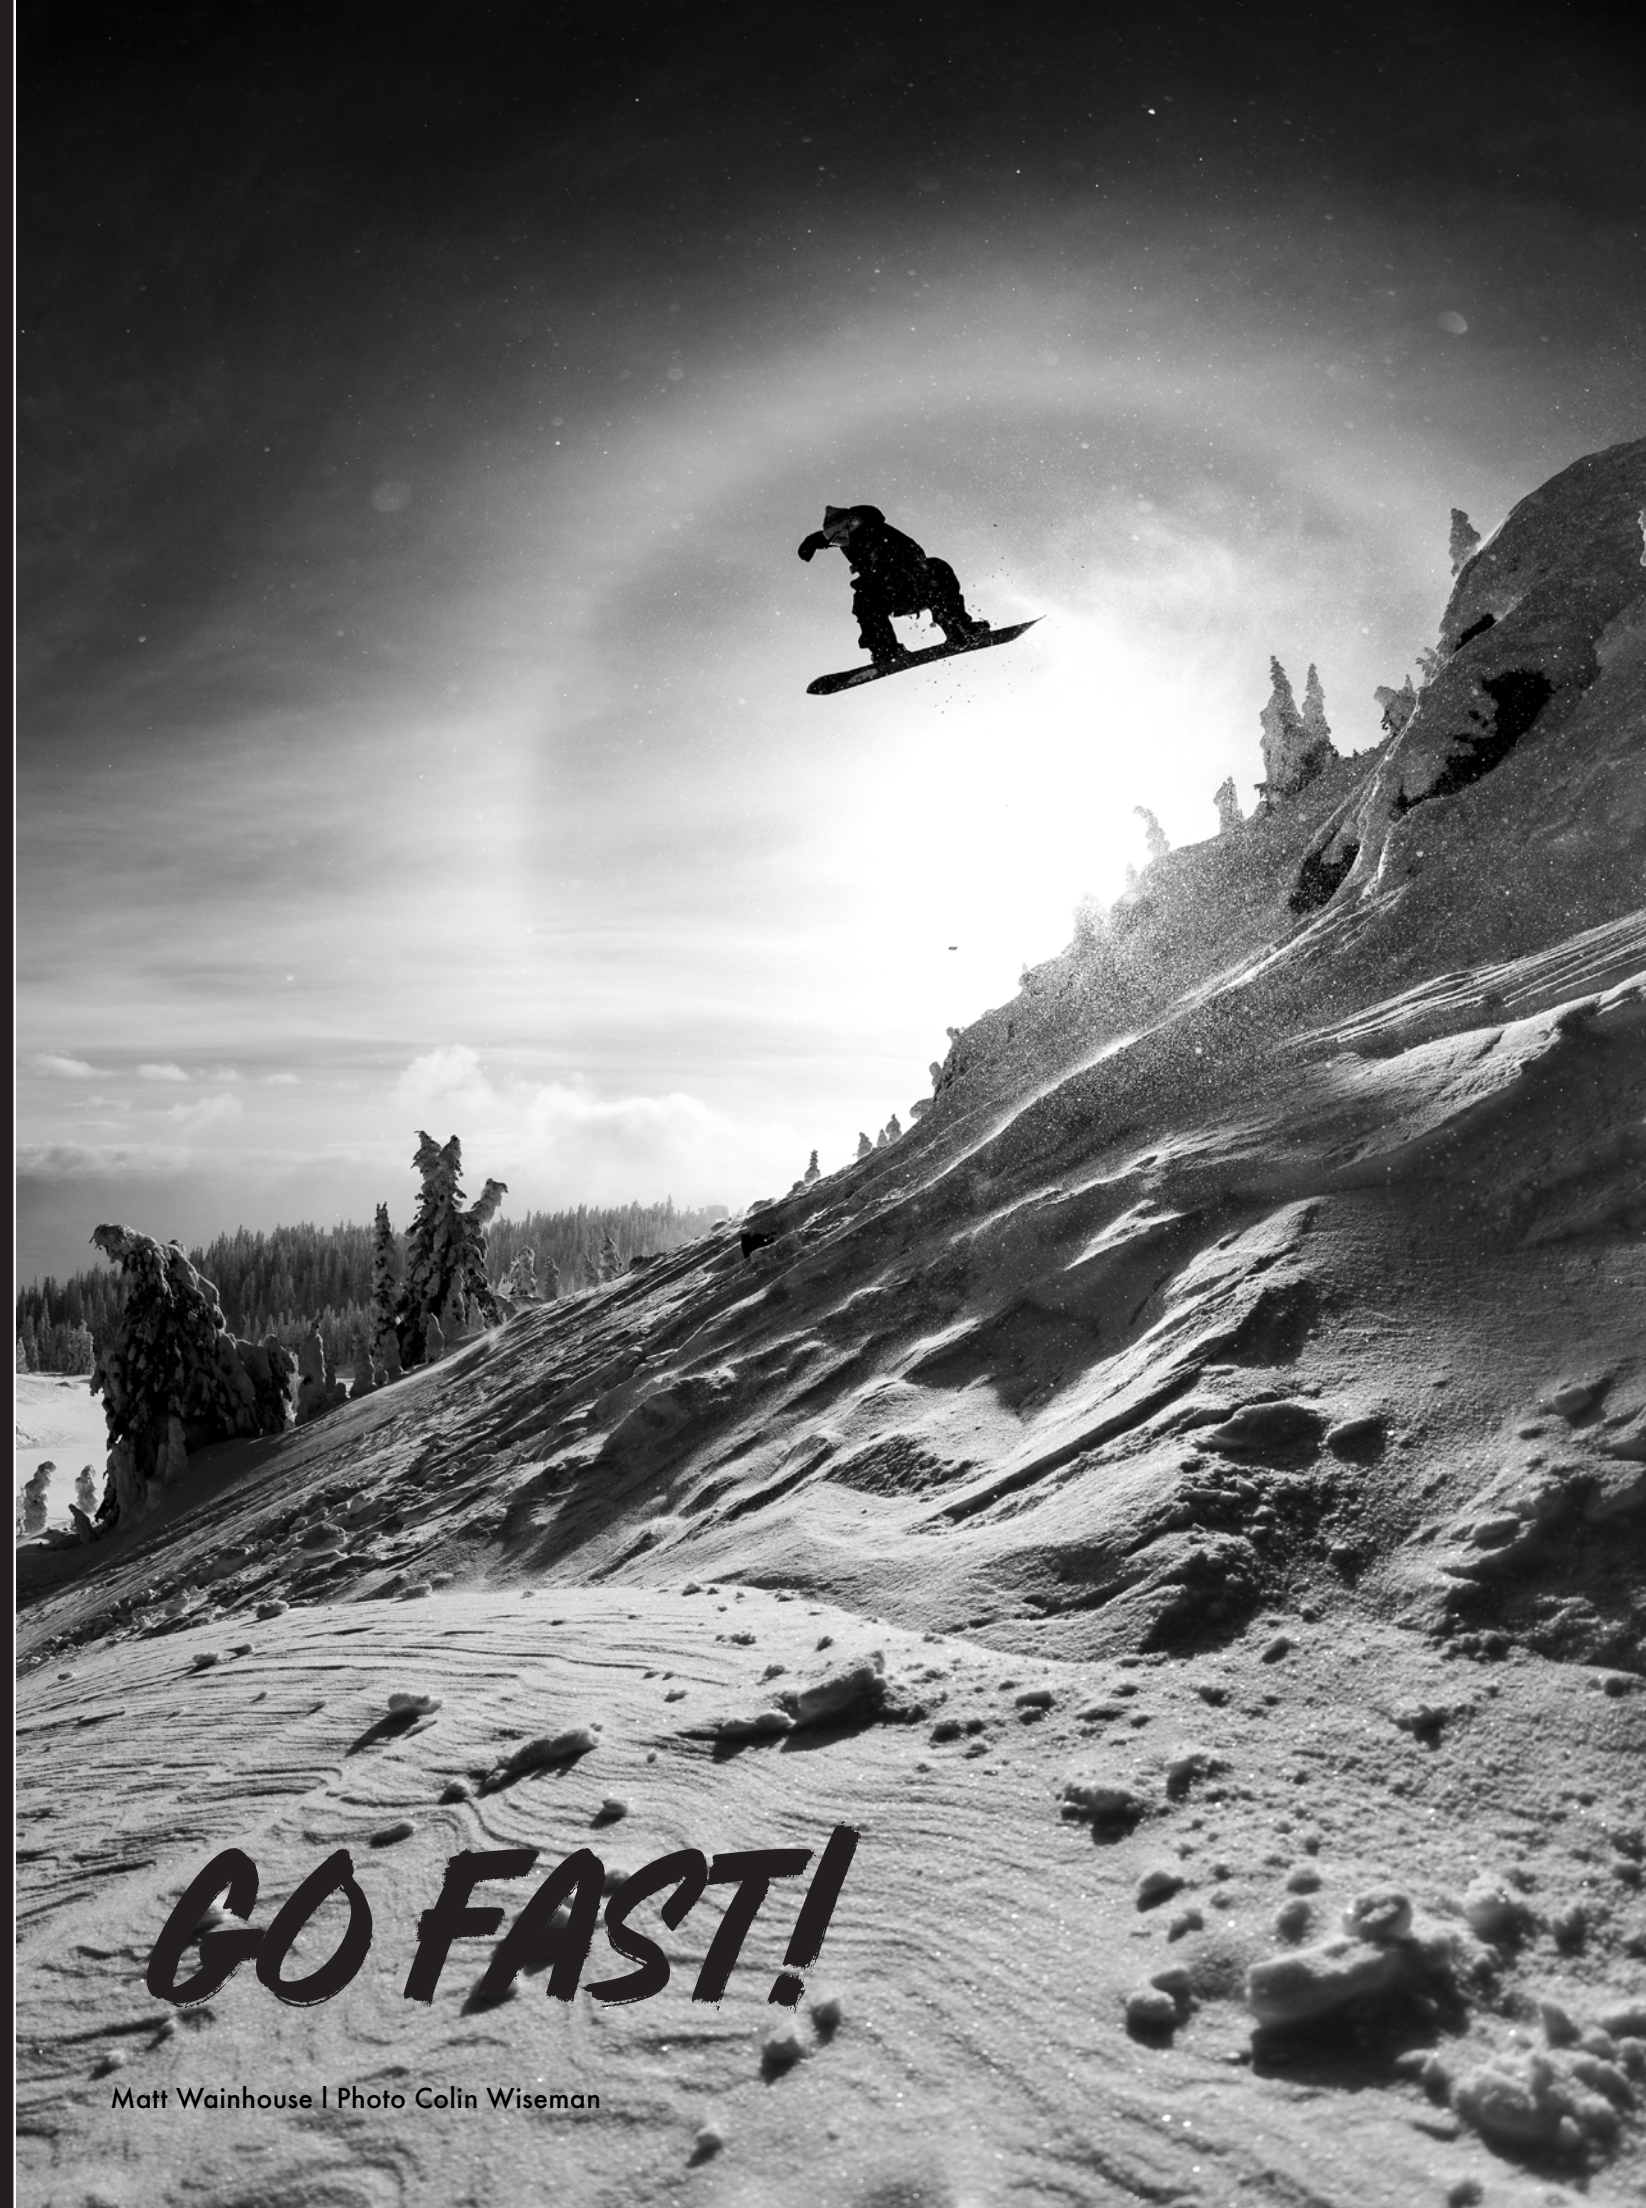

CUSTOMER SERVICE

The best customer service in the industry.

WARRANTY

100% If there is a problem, we make it right!

MADE IN USA

GO FAST!

X-WAX MINERAL SPEED ADDITIVES

RACING WAX X- WAX WINS RACES!!

X-Wax with Mineral Speed Additives continue to win races and excel in all snow conditions. X-Wax is formulated with our proprietary M3 speed elements for maximum speed and durability. There is nothing like it available.

Sizes: Now available in 165g. Pre-mix or 114g. 2-part mix system, 750g. Bulk

NEW! X-WAX PRE-MIX 165G

WARM

Silicone + M3 Additive.
32° to 28° F (0° to -2° C)

COOL/ ALL TEMP

All Temperature/Universal
28° to 21° F (-2° to -6° C)

COLD

A true cold snow wax.
21° to 5° F (-6° to -15° C)

ICE COLD

A true cold snow wax.
5° to -22° F (-15° to -30° C)

NEW! X-WAX RUB-ON TWIST-UP

Now available in three temperatures.

Mineral Speed Additives Formula.

Easy to carry on the hill in pocket or pack.

Twist-up action, holds wax in place for easy waxing.

Recyclable plastic container. Cork applicator.55g.

NO FLUORO

X-WAX RUB-ON

All temperature. Mineral Speed Additive Formula. Screams of speed! Speed like a hot wax. Applies in seconds. Fits in pocket great!

6 Cork applicator. 30g.

X-WAX PASTE

X-Wax Paste is a quick application paste formula for Warm to Cool temperature conditions. Fortified with a water activated "Speed Oil". Which is 100% non-toxic. Applicator is included. 45g.

PREMIUM RACING WAX SERIES

TEMPERATURES. WARM, COOL, COLD, ICE COLD
X-WAX 2-PART SYSTEM 114G

2-PART MIXING

Two part waxing system: Freedom to mix your wax and add additives as you wish. M3 Additive Formula.

WARM

Silicone + M3 Additive.
32° to 28° F (0° to -2° C) 114g.

COOL

All Temperature/Universal.
28° to 21° F
(-2° to -6° C) 114g.

COLD

A true cold snow wax.
21° to 5° F (-6° to -15° C) 114g.

ICE COLD

For the very coldest days.
Scrape before wax
cools. 5° to -22° F
(-15° to -30° C) 114g.

X-WAX BULK WAXES Temperature specific
Warm, Cool, Cold, and Ice Cold with M3 Additive
Formula. 750g.

X-WAX 5 PACK

Includes: 1-Base Prep, 1-Warm, 1-Cool, 1-Cold
1-Ice Cold wax
45g Each x 5 = 225g Total Weight

4WD: PREMIUM FORMULA WAX SERIES

PREMIUM, HIGH PERFORMANCE, TEMPERATURE SPECIFIC, WAXES

Race proven wax formulas using the highest quality hydrocarbon waxes. Four temperature specific formulas plus an amazing Base Conditioner Wax. 4WD Wax Series is so good that many choose to train and race with them. Sizes:165g., 65g., and 750g. bulk

F1: ALL TEMPERATURE WAX SERIES

ALL TEMPERATURE, FAST, HIGH QUALITY FORMULA

ONE MFG’s F1 AllTemperature Speed Formula is Fast! Durable! Easy to apply and scrape! A proprietary blend of specially blended waxes with decades of testing results and podiums to back-up the proven F1 Formula. Use alone or combine with any of our waxes, including graphite and X-Wax. Performance Range: 28°F to 21°F (-2°C to -6°C)

F1 ALL TEMERATURE WAX
All temperature formula. 165g & 65g.
Temperature Range: 28° to 21°F (-2°C to -6°C)

F1 GRAPHITE + ALL TEMP WAX
Micronized graphite additive added for extra speed in cold or dirty snow conditions.
All temperature formula. 165g & 65g.
Temperature Range: 28° to 21°F (-2°C to -6°C)

F1 DOUBLE PACK 330G WAX
F1 All Temperature Wax available in two 165g bars.
Total weight is 330g. No Clamshells
Temperature Range: 28°F to 21°F (-2°C to -6°C)

F1 TRIPLE PACK 500G WAX
F1 All Temperature Wax available in three 165g bars.
Total weight is 500g. No Clamshells
Temperature Range: 28°F to 21°F (-2°C to -6°C)

F1 SUMMER SLUSH WAX
Graphite additive plus liquid silicone additive. Excellent wax for wet, slush, warm, dirty, corn snow, conditions. Hot wax for superb results. Can also be used as a rub-on. 165g.
Temperature Range: 32°F to 28°F (0°C to -2°C)

F1 BULK WAX
Available in All Temperature, Summer Slush and Graphite Plus. 750g

F1: ALL TEMPERATURE WAX SERIES

ALL TEMPERATURE, FAST, HIGH QUALITY FORMULA

F1 RUB-ON WAX
All Temperature. Rub-On and polish with cork applicator on bottom. Easy application. 85g
Temperature Range: 28°F to 21°F (-2°C to -6°C)

F1 TWIST-UP/RUB-ON WAX
All Temperature. Always up! The wax never slides down the tube during applications. The wax stays up high in the container to be applied easily. Polish wax into base with cork applicator. 55g.
Temperature Range: 28°F to 21°F (-2°C to -6°C)

NEW BOX!

F1 TRICK BAR HOT WAX
Hot wax/rub-on all temperature wax in kraft box. 165g.
Lighting Bolt die-cut for customer visual access.
Temperature Range: 28°F to 21°F (-2°C to -6°C)

TUNING AND HOT WAX KITS

QUALITY PARTS!

SUPREME HOT TUNE KIT

This ski and snowboard tuning kit is a hot waxing kit with some essential edge tuning tools included to get your base and edges ready to go.

Includes: Custom hot waxing iron, 4WD Cool wax 165g. (World Cup proven formula), large edger tool, 8" metal file, gummy stone, file brush, 6" scraper, metal scraper, white and black P-Tex sticks, instructions and a custom zippered bag to keep it all in.

SUPREME TUNE KIT

We put this kit together, (as well as the Supremely Hot Tune Kit), to be used by skiers and snowboarders alike. They contain everything you need to keep your equipment maintained, tuned up and ready to perform at the highest level. Edges that are smooth, sharp, and rust-free are fast and make turning better and more fun. Combine that with a good wax job, and you're flying down the mountain.

Includes: 4WD Cool wax 165g bar (World Cup proven formula), large edger tool, 8" metal file, gummy stone, file brush, 6" scraper, metal scraper, white and black P-Tex sticks, instructions and a custom zippered bag to keep it all in.

BASIC TUNING KIT

An excellent kit to wax and tune your equipment.

Includes: F1 all temperature wax 65g., large edger tool, 6" scraper, file brush, ceramic stone, 3 P-Tex sticks, custom travel bag and instructions.

NEW! PARKING LOT KIT

Keep it in your car. Everything you need for a quick tune and wax. This kit is what we want as a minimal to go kit that's always with you.

Includes: F1 rub-on wax, nylon brush, ratchet screwdriver, edge tool, ceramic stone, tape measure, 6" scraper, instructions, bag.

SNOWBOARD / SKI & COMBO KITS

HOT WAX KIT

Our famous Hot Wax kit includes a high quality, thick based iron for easy waxing. All temperature hot wax and a rub-on wax to get you started and on your way to some fun hot waxing parties.

Includes: Custom hot waxing iron, X-Wax cool 114g., X-Wax rub-on wax, 6" scraper, fiber pad, 3 P-Tex sticks, instructions and a custom zippered bag to keep it all in.

WORLD DOMINATION KIT

This kit has everything! It's an excellent choice for riders wanting to tune it up and get ready for a great day on the hill.

Includes: Custom hot waxing iron, X-Wax cool 114g., X-Wax rub-on, 6" scraper, steel scraper, ratchet screwdriver, mini board lock, large edger tool, throwing stars traction pad, ceramic stone, snap leash, file brush, fiber pad, 3 P-Tex sticks, instructions and a custom zippered bag to keep it all in.

EDGER KIT

Get those edges sharp and add some wax on the base. This kit has the tools to get it done easy.

Includes: F1 all temperature wax 65g., large edger tool, ceramic stone and instructions.

NEW! BRUSH KIT

As requested by many. A three brush set with a bag as your go-to set-up to get your snowboard and skis dialed.

Includes: Nylon, Horse Hair & Brass brushes, 6" scraper, F1 Wax 65g., instructions, fabric tuning bag.

MINI WAX-KIT

The Mini Wax kit has F1 all temperature wax for hot waxing or rub-on. And a scraper for removing wax.

Includes: F1 All Temperature wax 65g., 6" scraper and instructions.
